Application Process

Applications will open October 1, 2020 and close February 28, 2021. Scholarship awards will be made in March 2021.

An application for a scholarship may be made every year a student is in college or technical school. Preference will be given to those people that have not received a scholarship two years in a row in an effort to make room for new scholarship recipients as much as we can.

To apply by mail, students should mail a completed application to 521 20th Street North, Birmingham, AL 35203. Applications must be postmarked by February 29, 2020.

A completed application includes:

- application form*
- recent transcript
- a brief description of your school and community accomplishments, your Sawyerille Summer Camp involvement, and what you hope to accomplish in the future by either attending college or a vocational program.

Incomplete applications will not be reviewed.

Granted funds are mailed directly to the registrar's office of the college or technical school of the recipient's choice.
