SUMMER LEARNING

# Summer Internship

## Housing

### **Birmingham**

While in Birmingham the first and last weeks of the internship, interns are welcome to stay at home if their families live in town. If not, housing will be provided in the homes of friends of Sawyerville. In this case, interns will have their own room or share a room with another intern. All host families are fully vetted by Sawyerville.

### **Greensboro**

While in Greensboro, interns are welcome to stay at home if their families live in town. If not, housing will be provided. In these cases, interns live together with hall bathrooms.

### **Expectations**

When interns stay with host families, Sawyerville expects that those spaces will remain clean and well cared for. Do not use duct tape or nails on walls. Be respectful of hosts and their homes.

When interns stay in common housing spaces in Greensboro, Sawyerville expects that all spaces will remain clean and well cared for. Interns will follow established guidelines created by the intern group (such as lights out time, shower schedule, etc.).

Interns can expect to always have a bed and bathroom provided. We cannot promise your own private room or private bathroom.
